### **Location description and benefits**

Al Marjan Island is a stunning man-made archipelago located in the emirate of Ras Al Khaimah. It is one of the most prominent tourist destinations in the region, known for its picturesque beaches, luxurious resorts, and upscale residential developments. Al Marjan Island is situated along the Arabian Gulf coastline and offers breathtaking

views of the sea. The island is shaped like a coral reef and is made up of four primary coral-shaped islands, connected by a central boulevard.

One of the main highlights of Al Marjan Island is its pristine white sandy beaches that stretch across 5.4 kilometers. Visitors can indulge in various beach activities, including sunbathing, swimming, and water sports such as jet skiing and paddleboarding. The crystal-clear waters of the Arabian Gulf provide an ideal setting for water enthusiasts.

Al Marjan Island boasts a collection of luxurious hotels and resorts, offering world-class amenities and services. These accommodations cater to both leisure and business travelers, providing a range of options to suit different preferences and budgets. Many of the hotels and resorts on the island feature stunning architecture and provide access to private beaches, swimming pools, spas, and gourmet dining options.
